## SOUTHEAST CHAPTER

### Plymouth Colony During King Philip's War

Revisit the brutal war of  
1675-1676 between the local  
natives and the  
Plymouth Colony settlers.

Independent researcher Gregory M. Lott will discuss the early friendship between Massasoit, Chief Sachem of the Wampanoag Nation, and Plymouth Colony leaders William Bradford and Edward Winslow.

Follow the path of precursors that would lead to a battle of control by the sons of these great men.
