Covering Archaeological and Historical Topics.

Wednesday February 12, 2020 7:00 PM

The Massachusetts Archaeological Society's

Robbins Museum

17 Jackson Street, Middleboro MA

*The Meetings, Presentations and a Look Around the
Robbins Museum are Free and Open to the Public*

Virginia Hunt-Burbine

Who were the Mound Builders?

Ginny is an Independent Historical Researcher.

The Mound Builders in North American archaeology is the name given to the people who built mounds in a large area from the Great Lakes to the Gulf of Mexico, and from the Mississippi River to the Appalachian Mountains. The greatest concentrations of mounds are found in the Mississippi and Ohio valleys.
